This **Edmonton, Alberta-based company** is a **leader in flooring software estimating products and services**. *Founded in 1995 by Erwin Twerdochlib, this Canadian-based company led the migration of DOS based estimating programs to being the first software product compatible with Windows 98, 2000, NT, ME & XP, gaining a reputation for vision and technological innovation along the way. The company focuses on creating user friendly applications and providing customers with a comprehensive approach to estimating in both retail and commercial markets.*
