This **Missouri City, Texas-based company** provides a **valuable product** that is NOT just speedy **takeoff software**, but **business software** that *teaches cash flow at estimate time*. *Compatible with Windows XP, Windows Vista and Windows 7*, their **software** plays the role of a **profit partner**, a **money maker** and a **money saver** that *helps a business stay in business; despite an unforgiving economic climate*. Fully **integrated**, from the **takeoff** to the **pricing summary**, it *removes mistakes; made by some users, prone to inadvertently transpose or miswrite numbers*. The **company's product portfolio** includes: **Gregg Onscreen**, **Gregg Rock-It**, **Gregg Optimization in Rock-It**, **Gregg Measure-It**, **Gregg Estimating Programs** and **Gregg Terazzo**. When *visiting this company's website*, **Floor Covering Media** *learned* about the **passing** of the **company's owner**, **Frank Gregg**. The **company** is *closed* until **further notice**. In the **interim**, those with **software related questions** should *send* an [email message](#) to the **company**.
