This **Richmond, Kentucky-based company** *delivers* for its **clients** special **flooring software** targeted to *meet* the **needs** of **flooring retailers**; where they have *kept* their **primary focus** when *developing* **new products** such as the **Flooring Estimator Professional System 2020**. This **resourceful tool** *saves* **flooring retailers time and money**; essentially because it is an **estimating program** that can *handle* **carpet, sheet goods, ceramic tile, and hardwood flooring**. *Contact* the **company** for a **full demonstration**. Its ease of **operation** is *refreshing*; especially for an **inexperienced user**. The **useful resource** *runs* on the **popular Windows Operating System**, *empowering* **flooring retailers** to *run* all their **favorite business software**.
