American Flooring Network operates throughout the Northern Virginia, Maryland and Washington D.C, providing contract flooring design and installation service.

We have extensive experience across a wide range of contract flooring installations ranging from corporate offices, schools, restaurants, fitness studios, banks, retail stores and medical centers.

With many years of practical interior design knowledge and contract expertise, we are firmly established as one of the best companies for supplying and installing contract floor coverings. We understand the needs of our varied clients, which enables us to offer a high quality, effective contract flooring service on time and on budget.

American Flooring Network is well known for not only first class interior design and development, but also supplying and installing contract floor coverings, interior fit-outs and renovations. Our experienced contract management team and dedicated craftsmen offer every client a guarantee of satisfaction.
