This **Nanjing-based supplier** *makes hand tools and power tools*. **Primary markets served** are **Europe, America, Australia, South America and Asia**. Its tools, *available at reasonable prices*, are *designed and packaged to sell*. Its tools must *pass quality standards tests* such as: **TUV/GS, ROHS in Europe, UL in the US, SAA in Australia and Smark in Argentina**. *Passing such stringent tests distinguish its tools as reliable ones*. Its offerings *include product and packaging designs, factory and product inspections, fast deliveries and immediate feedback in response to customer claims*.
