Online Flooring Retail Website

Members (and Visitors):

This Press Release is about the launch of an online retail flooring website. Discount Flooring Depot is an online retail outlet for laminate flooring, engineered and solid wood flooring, with expert staff and 20+ years experience in the flooring trade. Discount Flooring Depot provides the best value laminate flooring, engineered flooring and wood flooring of the highest quality to online retail customers in England and Wales. 20 years of industry experts today announced the launch of their site.

A spokesman for Discount Flooring Depot today stated that due to the double-dip economy, recession busting floor coverings have never been in such high demand! Laminate flooring is the hardest wearing floor covering which combines both attractiveness and the best value for money.

In the current climate, Britons are being encouraged to holiday at home during the Olympic and Diamond Jubilee year as reported by the BBC in March 2012. Culture Secretary Jeremy Hunt launched a campaign in March named: "Holidays at Home are Great". So why not make your home even better. With the population not going out as much, due to the increased cost of living, why not invest in your home and install one of the more cost effective floors on the market?

Consider laminate flooring, which has hidden value with the appearance of solid wood and the durability of laminate
