Gerflor donating a Taraflex floor to a school or community center in need

Gerflor USA is looking for a school or community center in the U.S., which will derive benefits from its Taraflex floor selected for ten consecutive Olympic Games through its partnerships with IHF and FIVB.

Through its Play Safe on Taraflex program, Gerflor is prepared to supply a deserving school or community center a new Taraflex floor for its gymnasium or athletic area (installation included). Nominations are being accepted at playsafeontaraflex.com through October 14.

Be advised evaluations are based on need, surface condition, facility, and other facts that must be submitted in the nomination statement.

Finalists, chosen by a jury of professionals, will be posted to Gerflor USA's Facebook on November 7. A public voting period will then follow to determine the winner on November 28.
