Rio Metrics leads

RIO FLOORING SYSTEMS

A world-leader and provider of polymer floor coatings is expanding their offerings with a new innovative tool: Rio-Metrics.

This customer resource management tool can assist business partners, as they stay connected and expand profitability.

What's their specialty? Industrial strength flooring products. These products are available for use in most industrial facilities; including food and beverage processing centers, commercial and retail, healthcare, transportation, science and technology, manufacturing, restaurants and hospitality, education and other applications.

Turn to Rio-Metrics for solid performance using the latest technology products while working with qualified people available to guide you through the process.
